

Summer School 2020

Important Information:

- Enrichment classes: June 8-July 2 (Monday-Thursday)
- Summer Achievers classes: June 8- July 16 (Monday-Thursday)
- Band Camp: June 15-June 19 (Monday-Friday)
- Student should be registered for classes based on their **current grade level**
- Registration runs March 9-March 29

Title: Fairy Tales for All!

Description: Have fun listening to stories, performing reader,Äôs theater, and creating fairytales of you own!

Grade level(s): 0 - 2

Teacher: Mrs. Edell

Time: 7:40 - 8:25 AM

Cost: \$125

Title: Games Galore

Description: Join in as we play games and solve problems. Think creatively, work cooperatively, and explore possibilities. Stretch your brain and have fun.

Grade level(s): 0 - 2

Teacher: Ms. Sparks

Time: 7:40 - 8:25 AM

Cost: \$105

Title: Who Wants to be an Author?

Description: Students will reinforce their writing skills and understanding of the difference between opinion, narrative and informational writing.

Grade level(s): 0 - 2

Teacher: Mrs. Jordan

Time: 7:40 - 8:25 AM

Cost: \$105

Title: STEAM Workshop

Description: Explore a variety of science topics through STEaM challenges! Students will work in teams to complete various challenges.

Grade level(s): 2 - 5

Teacher: Ms. Pyrce

Time: 7:40 - 8:25 AM

Cost: \$125

Title: Gardening is life!

Description: How many ways can we eat a tomato? In this class students will be part of the process of planting their own seeds, watching them grow into plants, preparing the grown food, and eventually eating it. Our focus is on healthy eating and organically grown foods that are good for you and learning new tricks to preparing them and eating them!

Grade level(s): 3 - 7

Teacher: Mrs. Zita

Time: 7:40 - 9:15 AM

Cost: \$150

Title: Clay Creations 4-5

Description: Students will use a variety of hand building techniques to create clay masterpieces! Pieces will also be glazed.

Grade level(s): 4 - 5

Teacher: Mrs. Burtner

Time: 7:40 - 8:25 AM

Cost: \$130

Title: Running & Fitness Club

Description: Want to run Cross Country next year OR get in better shape for a Summer Road Race? Come join the 2020 Summer Running Club. We will spend time running and stretching. We will also do some strength conditioning after our runs. In addition, we will discuss proper nutrition - and maybe even make a few delicious post-run snacks during the summer. Come and join us to increase your fitness and knowledge about the sport of running.

Grade level(s): 5 - 7

Teacher: Mr. Steele

Time: 7:40 - 9:15 AM

Cost: \$130

Title: STEAMING it UP!

Description: If you are interested in technology and STEAM, this course is for you! Learn how to use Tinkercad and Sculptris computer design software to create unique projects to 3D print, develop an augmented reality experience using the software Metaverse, and participate in one of the upcoming trends in education with eSports game Rocket League!

Grade level(s): 5 - 7

Teacher: Mr. Yena

Time: 7:40 - 8:25 AM

Cost: \$125

Title: Zumba Kids

Description: Zumba Kids is a class with kid-friendly dance routines based on original Zumba choreography. This class improves fitness while having fun in a non-competitive atmosphere. Zumba Kids also promotes cultural awareness and exploration through games, crafts, and artwork.

Grade level(s): 0 - 4

Teacher: Mrs. Zebraitis

Time: 8:30 - 9:15 AM

Cost: \$105

Title: Introduction to Computers and Technology

Description: Technology is all around us, but many of us do not understand how computers communicate with each other or what is the language of tech. Students will learn how computers operate and design or create computer programs by participating in an online tutorial from code.org. This tutorial offers an elementary school curriculum that allows even the youngest students to explore the limitless world of computing, how the Internet and technology tools are created, and career exploration. Through a series of over 20- lessons, students will blend online, self-guided and self-paced tutorials with "unplugged" activities that may require no computer at all. By the end of each course, students will be able to explain how computers and the Internet have changed and influenced the way we live and learn in the 21st century.

Grade level(s): 2 - 3

Teacher: Mr. Agnos

Time: 8:30 - 9:15 AM

Cost: \$105

Title: Cartooning and Animation

Description: Students will create their own characters and then animate them!

Grade level(s): 4 - 7

Teacher: Mrs. Burtner

Time: 8:30 - 9:15 AM

Cost: \$125

Title: Robotics!

Description: Want to jump start your understanding of the robotics kits used in middle school STEM classes?!?! Learn the basics about VEX robotics kits and the mechanisms used to create movement in this hands on class!

Grade level(s): 5 - 7

Teacher: Mr. Yena

Time: 8:30 - 9:15 AM

Cost: \$125

Title: Awesome Art K-1

Description: In Awesome Art we will use clay, paint, paper, glue, wood, and even more fun to work with supplies to create several awesome art projects for you to take home as soon as they are complete. We will start with ceramic clay that you can glaze with beautiful colors. We will end our summer school time together creating our traditional wooden sculptures.

Grade level(s): 0 - 1

Teacher: Mrs. Kyp-Johnson

Time: 9:20 - 10:05 AM

Cost: \$105

Title: First Steps in Spanish

Description: An introduction to Spanish through games, songs and stories.

Grade level(s): 0 - 1

Teacher: Mrs. Zita

Time: 9:20 - 10:05 AM

Cost: \$105

Title: Ole! Music, Movement and Monsters for beginning Spanish students!

Description: Music, movement, videos, crafts and more!! We will listen to fun music while we move and learn colors, numbers and body parts (and more!) in Spanish. We will then create our own monsters and other original creatures with our new knowledge!! This class will be a mixture of physical activity and art and will be a whole lotta fun!!

Grade level(s): 2 - 4

Teacher: Ms. Fitzgerald

Time: 9:20 - 10:05 AM

Cost: \$125

Title: Fun & Games

Description: Summer fun outside and in! We will go outside most days for active play and group games such as capture the flag, tag, and relay races. We will balance this out with one or two days a week indoors with board and card games for bigger kids such as Ticket to Ride, Catan Jr., Ghost Fighting Treasure Hunters, and more!

Grade level(s): 3 - 4

Teacher: Mrs. Zebraitis

Time: 9:20 - 10:05 AM

Cost: \$125

Title: Sew your Own Felt Buddies

Description: Learn to sew, or improve your skills, by creating fun objects with felt! This class is for anyone who would like to have fun sewing by hand; we will use patterns for miniature animals, food, and anything else we design.

Grade level(s): 3 - 7

Teacher: Mrs. Edell

Time: 9:20 - 10:55 AM

Cost: \$150

Title: Hands-On Engineering and Design with S.T.E.A.M. Experiments

Description: If you enjoy to work with your hands, are a fan of science and want to learn what types of careers and cool labs scientists and engineers participate in, then this is the class you,Äöve been waiting for! In this course, students will have the opportunity to participate in engineering challenges such as designing your edible slime, bubbling, exploding and fizzy experiments, sticky ice, and a host of other fun activities that you can learn how to do at home! We will cover many aspects in the realm of S.T.E.A.M. - Science Technology, Engineering, Art, and Math. Come on out and see what you can create!

Grade level(s): 4 - 6

Teacher: Mr. Agnos

Time: 9:20 - 10:05 AM

Cost: \$150

Title: Cooking and Grilling for the Summer!

Description: Learning basic recipes for both cooking on the stove and outside on a gas grill. Create healthy meals to enjoy with you family.

Grade level(s): 5 - 7

Teacher: Mr. Yena

Time: 9:20 - 10:55 AM

Cost: \$175

Title: Volleyball 5 -7

Description: Students will learn and practice volleyball skills such as setting, serving, passing, spiking, and blocking. Students will also develop floor skills and ball control as well as individual skills and techniques. Players will integrate skills learned during game play and skill competitions.

Grade level(s): 5 - 7

Teacher: TBD

Time: 9:20 - 10:05 AM

Cost: \$105

Title: Intermediate Stitch and Sew Lab

Description: Students will learn how to stitch and sew a variety of projects, including: oversized pillows and screen printed t-shirts with their own designs.

Grade level(s): 6 - 7

Teacher: Mrs. Burtner

Time: 9:20 - 10:05 AM

Cost: \$125

Title: Extreme PE K-2

Description: This course is based upon the acquisition of knowledge and skills that are the foundation for engaging in physical activity through fun and games. We aim to empower all students to sustain regular, lifelong physical activity as a foundation for a healthy, productive and fulfilling life.

Grade level(s): 0 - 2

Teacher: Mrs. Zita

Time: 10:10 - 10:55 AM

Cost: \$105

Title: Awesome Art 2-3

Description: In Awesome Art we will use clay, paint, paper, glue, wood, and even more fun to work with supplies to create several awesome art projects for you to take home as soon as they are complete. We will start with ceramic clay that you can glaze with beautiful colors. We will end our summer school time together creating our traditional wooden sculptures.

Grade level(s): 2 - 3

Teacher: Mrs. Kyp-Johnson

Time: 10:10 - 10:55 AM

Cost: \$105

Title: Volleyball, Basketball, & More

Description: Come learn to play volleyball, basketball, and more! Learn skills, participate in games and have fun!

Grade level(s): 3 - 4

Teacher: TBD

Time: 10:10 - 10:55 AM

Cost: \$105

Title: Computer Programming and Coding Design

Description: Technology is all around us, but many of us do not understand how computers communicate with each other or what is the language of tech. Students will learn how computers operate and design or create computer programs by participating in an online tutorial from code.org. This tutorial offers an elementary school curriculum that allows even the youngest students to explore the limitless world of computing, how the Internet and technology tools are created, and career exploration. Through a series of over 20- lessons, students will blend online, self-guided and self-paced tutorials with "unplugged" activities that may require no computer at all. By the end of each course, students will be able to explain how computers and the Internet have changed and influenced the way we live and learn in the 21st century.

Grade level(s): 4 - 6

Teacher: Mr. Agnos

Time: 10:10 - 10:55 AM

Cost: \$125

Title: Ole!- Parte II - °Pinatas, Pinatas, Pinatas!

Description: This class is for those students that have already had some Spanish language and are ready for some culture and art! We will make piñatas and other traditional artifacts from the Spanish speaking world, such as masks and mosaics. We will also listen to popular and traditional music and possibly learn some traditional dance moves!!

Grade level(s): 4 - 5

Teacher: Ms. Fitzgerald

Time: 10:10 - 11:45 AM

Cost: \$150

Title: Clay Creations 5-7

Description: Students will use a variety of hand building techniques to create clay masterpieces! Pieces will also be glazed.

Grade level(s): 5 - 7

Teacher: Mrs. Burtner

Time: 10:10 - 10:55 AM

Cost: \$130

Title: History on Film - Fact or Fiction?

Description: Some of the best movies made in the last 50 years have dealt with various historical topics. While watching movies like The Patriot, Saving Private Ryan, or Gladiator, have you ever wondered if what you are seeing is really based on fact? This course will allow student to investigate the reliability of three Hollywood movies based on major historical events. After watching and analyzing each film, students will become film critics using a variety of computer technologies to broadcast their historical reviews to others. Come join us as we take a more in-depth look at some great movies!

Grade level(s): 5 - 5

Teacher: Mr. Steele

Time: 10:10 - 10:55 AM

Cost: \$105

Title: Crafting Fun

Description: Students will have fun creating art and DIY projects with beads, paper, duct tape; the possibilities are limitless!

Grade level(s): 0 - 2

Teacher: Mrs. Edell

Time: 11:00 - 11:45 AM

Cost: \$125

Title: Fairy Tales & Fictional Favorites

Description: Develop a love for literature as we explore some favorite fairy tales and fictional stories. After each read aloud, students will engage in STEM activities, art projects and role-playing games. As we get to know our friends in class, we will develop team building, oral-language and comprehension skills.

Grade level(s): 0 - 3

Teacher: Ms. Pugliese

Time: 11:00 - 11:45 AM

Cost: \$125

Title: Legos & Math

Description: Build your Math vocabulary using Legos. Students will work on a definition for a Math vocabulary word and build a Lego structure to represent that word. Students will complete a journal page for each new word.

Grade level(s): 0 - 2

Teacher: Mrs. Jordan

Time: 11:00 - 11:45 AM

Cost: \$105

Title: Extreme PE 3-4

Description: This course is based upon the acquisition of knowledge and skills that are the foundation for engaging in physical activity through fun and games. We aim to empower all students to sustain regular, lifelong physical activity as a foundation for a healthy, productive and fulfilling life.

Grade level(s): 2 - 4

Teacher: Mrs. Zita

Time: 11:00 - 11:45 AM

Cost: \$105

Title: Full STEAM Ahead

Description: S.T.E.A.M. - Science Technology, Engineering, Art, and Math. In this course students will participate in numerous hands-on S.T.E.A.M. activities to learn about the many wonders in our world. If you enjoy creating, exploring, building, and cool labs then this is the class you've been waiting for! In this course, students will have the opportunity to participate in scientific and engineering challenges such as biology/microscope exploration, ecology and the environment, chemistry experiments their reactions in our lives and snap circuit electronics. If you are a fan of hands on building and design, then you will definitely want to check this course out!

Grade level(s): 2 - 4

Teacher: Mr. Agnos

Time: 11:00 - 11:45 AM

Cost: \$125

Title: Awesome Art 3-4

Description: In Awesome Art we will use clay, paint, paper, glue, wood, and even more fun to work with supplies to create several awesome art projects for you to take home as soon as they are complete. We will start with ceramic clay that you can glaze with beautiful colors. We will end our summer school time together creating our traditional wooden sculptures.

Grade level(s): 3 - 4

Teacher: Mrs. Kyp-Johnson

Time: 11:00 - 11:45 AM

Cost: \$105

Title: Stop Motion Film Making!

Description: Students will work together creating stop motion animation movies!

Grade level(s): 4 - 7

Teacher: Mrs. Burtner

Time: 11:00 - 11:45 AM

Cost: \$105

Title: Basketball

Description: Come and learn important skills for both on and off the court. Learn passing, shooting, dribbling and rebounding skills. Each day will have a 'skill of the day', drills and games.

Grade level(s): 5 - 7

Teacher: TBD

Time: 11:00 - 11:45 AM

Cost: \$105

Title: Drones: Basics of Flight, Controls, and Repair

Description: In this class you will learn the basic of drone flight, how to use a drone controller, how to fly a drone, and troubleshoot any problems with a drone! We will progress from learning how to control the drone in the air to maneuvering it at higher speeds.

Grade level(s): 5 - 7

Teacher: Mr. Yena

Time: 11:00 - 11:45 AM

Cost: \$125

Title: Volleyball

Description: Students will learn and practice volleyball skills such as setting, serving, passing, spiking, and blocking. Students will also develop floor skills and ball control as well as individual skills and techniques. Players will integrate skills learned during game play and skill competitions.

Grade level(s): 5 - 7

Teacher: TBD

Time: 11:00 - 11:45 AM

Cost: \$105

Title: Band Camp

Description: Current 4th and 5th grade Brass, Woodwind, and Percussionists interested in improving individual skills, note and rhythm reading, and playing in large and small ensembles will spend one week (June 17th-21st) working with professionals in the music field. Students will learn from musicians specializing in each instrument, in addition to learning new music as a full band. At the end of the camp, students will give a concert, performing in their chamber groups and as a concert band. This summer camp is a unique chance to collaborate with professionals and peers to build musicality for the coming years. This camp is geared towards students that will be finishing their first or second year on their instrument.

Grade level(s): 4 - 5

Teacher: Mrs. Hardesty

Time: 12:30 - 03:45 PM

Cost: \$185

Summer Achievers

Invites were sent out today, March 6.

Reading: This course will build stronger skills in the area of reading. Students will work on areas of reading that have been identified as needing support based on assessment and classroom data. This class is only for students who have been recommended by their classroom teacher.

Time: 8:30-10:05 AM a.m.

Cost: \$60

Math: This course will build stronger skills in the area of mathematics. Students will work on areas of mathematics that have been identified as needing support based on assessment and classroom data. This class is only for students who have been recommended by their classroom teacher.

Time: 10:10-10:55 AM a.m.

Cost: \$30
