4th-grade through 8th-grade students use Schoology grades and homework. To create an new account, please follow the below steps.

- Go to <https://app.schoology.com/register.php?type=parent>
- Enter the access code of one of your students (listed below).
- Follow the prompts to create your account.

STUDENT ACCESS CODES

Please use the student access codes provided below to create a new parent account or add an additional student to your account.

- Jose Test** JN8W-Q8NT-KDWZ
- Minnie Test** WQMQ-TBTS-QJVR
- Student Test** 8JG7-4KFG-VJ3V
- Student Test** CF6-JBR-K88

ENROLLING IN PARENT GROUPS AND COURSES

Once you have created an account in Schoology, you will need to join a few courses and groups in order to receive important updates.

This page will have the instructions to complete the process. If you run into any issues, please reach out to us. Provide us your name, name of your student, and the issue you are experiencing

You can find our contact information [here](#)
